

## Appendix 2: Athena SWAN Bronze award renewal

### The University of Edinburgh Athena SWAN Action Plan

Diversity and equality have been priorities for the University for some time and included in successive strategic plans. A number of actions are already underway or planned, which are part of the Gender, Disability and Race Equality Schemes. This Athena SWAN Action Plan draws together the actions that are of particular importance to promoting good employment practice for women working in science, engineering and technology in the University, which is a key pillar of the University's commitment to the promotion of gender equality, and excellence in research and education.

Professor Lorraine Waterhouse, Vice-Principal (Equality and Diversity)
