Wheelchair access to and within this building is not currently recommended without assistance and is limited to the ground floor.

**Personal Emergency Evacuation Plan**

**Note:**
A Personal Emergency Evacuation Plan (PEEP) is required for all staff and students unable to self-evacuate in an emergency. Provision for staff/students/visitors who are unable to self-evacuate is the responsibility of the organiser of the class/lecture/event/meeting. While the School is responsible for preparing this, staff and students requiring assistance should confirm the evacuation arrangements.
Wheelchair access to and within this building is not currently recommended without assistance and is limited to the ground floor.

**BOOKABLE ROOMS - Accessibility**

**14 Buccleuch Place**

**Introduction**

Access to this building is not recommended for persons with severe mobility difficulties. Wheelchair access is restricted to the ground floor and is via temporary ramps which can be made available upon request.

There are no accessible toilets within this building. Standard male and female toilets are located on the basement floor ([see basement floor plan](#)).

If you require use of temporary ramps, it is recommended that contact is made with the servitors based at David Hume Tower on 0131 650 8295, or with your host, prior to arrival.
Wheelchair access to and within this building is not currently recommended without assistance and is limited to the ground floor.
