Note: Although a building may have suitable access, it is important that confirmation is sought that there are emergency evacuation procedures in place. Therefore, it will be necessary to contact your personal tutor/line manager or your host to enable the preparation of a Personal Emergency Evacuation Plan (PEEP). This will ensure that facilities and procedures are in place in the event of an emergency or that alternative locations are used.
There is no level access to St Cecilia’s Hall. Access is via five steps or alternatively via a temporary ramp which can be made available upon request.

There is an accessible toilet and standard toilets located on the ground floor (see floor plans).

If you are a wheelchair user or have mobility difficulties and intend to access St Cecilia’s Hall, it is recommended that contact is made with Building Management on 0131 650 2805, prior to arrival.
