April 24, 2012

Nigel Paul
Director of Corporate Services
The University of Edinburgh

9-16 Chambers Street
Edinburgh EH1 1HT

Dear Mr. Paul:

I write to acknowledge the decision of the University of Edinburgh to affiliate with the Worker Rights Consortium (WRC). We are pleased to have the University as an affiliate and we are looking forward to working with you to improve labor conditions for workers who make apparel for universities and university stores in the United Kingdom.

As you know, the affiliation of the University of Edinburgh with the WRC represents one of the first such affiliations at an institution of higher education in the UK and we are very appreciative of the University's leadership.

Sincerely,

Scott Nova
Executive Director
