

Health and Safety Videos and DVDs available for staff to hire

Booking:

The listed videos are available for a loan period of five days, although this can be extended with prior approval. It is advisable to book the desired video(s) well in advance of the date you wish to show them. Videos should be booked by contacting Lawrence Dickson, Health and Safety Training and Audit Co-ordinator, Extension 51-4259, except those videos marked ** which should be booked by contacting Occupational Health Unit, Extension 50-8190. Responsibility for returning the videos by the due return date rests with the borrower.
