## Assessment Services

### Assessment Services

Musculoskeletal disorders are the largest contributory factor to staff absence from work, costing businesses and the UK economy millions every year, damaging productivity too. Posturite are experts in resolving musculoskeletal disorders, for over 20 years we have been helping businesses find cost effective ways to ensure their workforce is healthier and more productive too.

### Why use Posturite

- Fast turnaround - assessment takes place within 5 working days from initial request being made
- Many products are provided on a 14 day sale or return basis - speak to us for details
- A national network of qualified DSE Assessors supported by qualified Physiotherapists and Ergonomists
- Huge stock holding means we can provide products swiftly to resolve issues promptly
- Posturite are the leading UK provider of ergonomic workstation accessories
