

23.2 Children

Children are only permitted to enter University buildings for short visits and must be closely supervised at all times. Children are not allowed into buildings outside normal working hours as, defined by the Head of School/MOBUG, except for specific work related activities which must be suitably risk assessed. Children are not allowed into laboratories and workshops, other than in connection with Open Days, and work experience courses, etc. There are specific requirements for risk assessments for children or young people on work experience, see Section 18.4 Young or inexperienced workers, including work experience.
